October 2011

U.I.G. Partner Development, LLC is pleased to announce that through a strategic alliance with PFC, Corp. we are able to provide any type and variety of petroleum products to you and/or your clients.

Oil Products Available:

Additives to fuel oils	Gas, Natural gas	Kerosene, Jet Fuel
Bitumen	Gas, LNG	Mazut
Diesel fuel	Gasoline, automobiles	Compressor oils
Fuel, ship's bunkers	Gasoline, blendstock	Engine oils
Gas condensate	Coal and Coke	Hydraulic oils
Transformer oils	Transmission oils	Turbine oils
Oils: lubricating and grease		

Procedure:

The procedure is very simple and un-complicated.

The Buyer on his company letterhead identifies the type of product he needs, the quantity of the product*, the chemical specifications, the destination for the product and the form of payment *.

The letter should be addressed to PFC, Corp and Dr. Mark Romero, PhD

We are able to work with both CIF and FOB transactions.

Fees to U.I.G. Partner Development, LLC is to be paid by the Buyer.

* The quantity of product requested in the initial offer should be kept to 200,000 MT to 500,000 MT. Product volume can be increased after the successful first (1st) transaction. The only form of payment that is accepted is a Cash-Backed Letter of Credit (LC). Our office may require additional documentation.

After the Buyer's letter is received and submitted, the Refinery will issue the contract.

For further information, please call our office at (305) 940-1559 or (305) 940-1509 and ask for Dr. Mark Romero, PhD in Economics and Finance
